

## The 4G Learning Experience

In the 2012 4G Training experiences will be the norm and they will include: the choice of options by creating your own learning experience.

- Self Paced
- Blended learning options
- Online
- Distance
- Class Based (face to face)
- On the job
- A combination
- Learn day or night 24/7
- Start when you choose
- Finish when you choose
- Latest knowledge
- Choice of trainers and assessors
- Choice of payment methods or funding

- Retail Courses
- Hospitality Courses
- Food Safety Programs
- Pre Employment Programs
- Customer Services

### What is 4G?

4G simple stands for the 4th generation of training, or as we like to use "learning experience". The 4G learning experience allows the user (you) to have greater flexibility and control on how, what and when you learn
